ABOUT ME

I recently graduated from the University of Miami's Full Stack Web Development program, where I honed my skills in creating robust web applications. My journey as a web developer has only just kicked off, and I'm excited to continue learning, particularly in the realms of UX/UI design and Cybersecurity. With a foundation in development, I aspire to bring creative interaction to user interfaces and ensure the security of online experiences.

WORK EXPERIENCE

- Jan 2022- Present
